Jomarc Security Services Nigeria Limited is a frontline private security provider in Nigeria. We are duly registered with the Corporate Affairs Commission (CAC) with Ten million shares capital and licensed by the Federal Government of Nigeria as a Category A private guard company (PGC) with license no. NSCDC/PG/020/0001069

We also have the relevant approvals from the Inspector General of Police (IGP) to use Armed Mobile Police Personnel from Special Protection Unit (SPU) and Police Mobile Force (PMF) within the country for armed Guard and Escort.

We are licensed by the Nigerian Maritime Administration and Safety Agency (NIMASA) to operate as a guard force security company in the Nigerian Maritime Sector and also licensed by the Federal Ministry of

Labour and Employment as an employment agency, employer and labour contractor to Nigerias Maritime, Manufacturing, Security, Oil and Gas, Banking and Finance sectors.

We also have the permit from the Department of Petroleum Resources (DPR) to operate in the oil and gas industry in Nigeria.

We are covered by a professional indemnity insurance (PI) and fidelity guarantee insurance (FG) policies from a reputable insurance giant in Nigeria.

We employ the services of highly competent and well trained professionals who have dedicated themselves over the years to the acquisition of expertise and specialized skills aimed at meeting the corporate vision of our organization and clients.

**Vision**

**REDUCING RISK,  
PREVENTING INCIDENT**

### **Our Core Values**

- Integrity
- Focused
- Transparency
- Accountability
- Dedicated
- Truth
- Fidelity

## OUR SERVICES

## MANNED GUARDING SERVICES

We deploy able bodied and well trained men for asset protection and to perform other security related functions to Government organizations, corporate bodies and private individuals.

### JOB DESCRIPTION

- Access control at our protected facilities
- Regular patrol of the facility protected
- Surveillance activities
- Information/incident reporting etc.

### ABOUT THE SERVICE

In our resolve to avail our esteemed clients with the highest level of proficiency and excellent service delivery, we engage young and able bodied men who are thoroughly screened, vetted and trained.

Upon expression of interest in this service, we carry out a risk assessment (security survey) of the facility to be protected and develop a comprehensive report, highlighting the risk associated with the asset and recommending control measures.

Thereafter, a service level agreement will be signed by both parties which will be legally binding.

### OUR GUARD FORCE MANAGEMENT

#### *Selection and training process;*

We ensure that our guards meet the following conditions

- *Minimum height of 1.6M for male and 1.56M for female.*
- *Minimum qualification of secondary school certificate (SSCE) or equivalent.*
- *Must be literate (ability to write and read fluently).*
- *Must undergo a physical and health fitness test.*
- *Must provide two reference letters attesting to the character of the guard.*
- *Must provide Two Guarantors standing as surety for the Guard and one of the Guarantors must be a family member of the Guard.*

- *Must undergo a mandatory basic security course in our training facility for two weeks.*

### **GUARDS WELFARE**

Our guards enjoy the following benefits;

- *Salary paid on or before 30<sup>th</sup> of every month*
- *Soft loan*
- *Group life insurance*
- *Medical accessibility on our health insurance scheme (HMO)*

### **GUARDS KITS AND GADGETS**

Our guards are well kitted with two pairs of uniform and we ensure that they are always neat. They are also armed with the necessary security gadgets.

### **COMMUNICATION**

We ensure that there is an effective communication between our guards on duty within or protected facilities through the use of Radios (walkie-talkie) and we also provide toll-free (Close User Group) phones to our protected facilities which are networked to our control room for monitoring (i.e regular phone clocking to check guards alertness) and distress calls (i.e a window for guards to call during emergencies or otherwise).

### **PATROLLING**

We ensure that our client assets are well protected through our regular day and night patrols. This is achieved through these layers of patrol;

- Guards regular patrols within the facility
- Patrol team regular day and night patrol
- Quality control (QC) team regular patrol to check compliance.

### **COST OF SERVICE**

Our charges are considerate since we are always on the side of our client, but we can only discuss our charges after assessing the asset to be protected.

## ARMED ESCORT/PROTOCOL SERVICES

With our collaborative efforts with the Nigerian Police, we provide armed escort services to individuals and corporate organizations any where in Nigeria. We also render protocol services.

### **Condition of service**

Clients are required to register with us to enable us have them on our database for any service request.

A minimum of twenty four hours (24 hrs) notice should be placed to our office, except in emergency situation which shall attract special charges for such services.

### **Cost of service**

Our charges are subject to the scope of operation.

# MARITIME SECURITY SERVICES

We render quality maritime security services in the following areas

## Ship Security Officers

Local Nigerian SSO to coordinate security activities on a vessel etc.

## Offshore/Onshore Security

We provide security services to protect offshore platforms/facilities and onshore facilities

## Field Security Vessels

Provision of a vessel for security use with navy, SSO and crew complement.

## Transits

Provision of Security officers to escort vessels from one point to another, one country to another.

## Armed Escorts

Provision of armed Security complements for security/escort duties.

## Coastline Surveillance

Gathering Intelligence for the safe planning of a vessel or business operation.

## HUMAN RESOURCES/MANPOWER OUTSOURCING SERVICES

Getting the right talents for specific business requirements is a major concern for HR and management in general. Staff Outsourcing Solution for business effectively relieves our clients from the rigors of sourcing the right hands to fill their strategic vacancies, enabling them to focus on more strategic and value-adding business activities. We are committed to delivering on all your recruitment needs. We specialize in all categories of strategic, operational and tactical talent acquisition for companies.

We are able to recruit any level of staff, from shop-floor to business head, Drivers and Artisans to Managing Director/Chief Executive. Our experienced Recruitment and Talent Hunt Specialists are equipped with specialist knowledge required to identify, grow, manage and optimize your workforce to achieve success in the market place.

We work with you all the way, We can train your people and help formulate the best strategy that will bring the best out of your people.

## VIP/EVENT VENUE PROTECTION

We provide able bodied, well trained and bonded men as body guards to very important personalities and event venue protection.

These men are specially trained and tested professionals on various areas of executive protection, event and crowd control management.

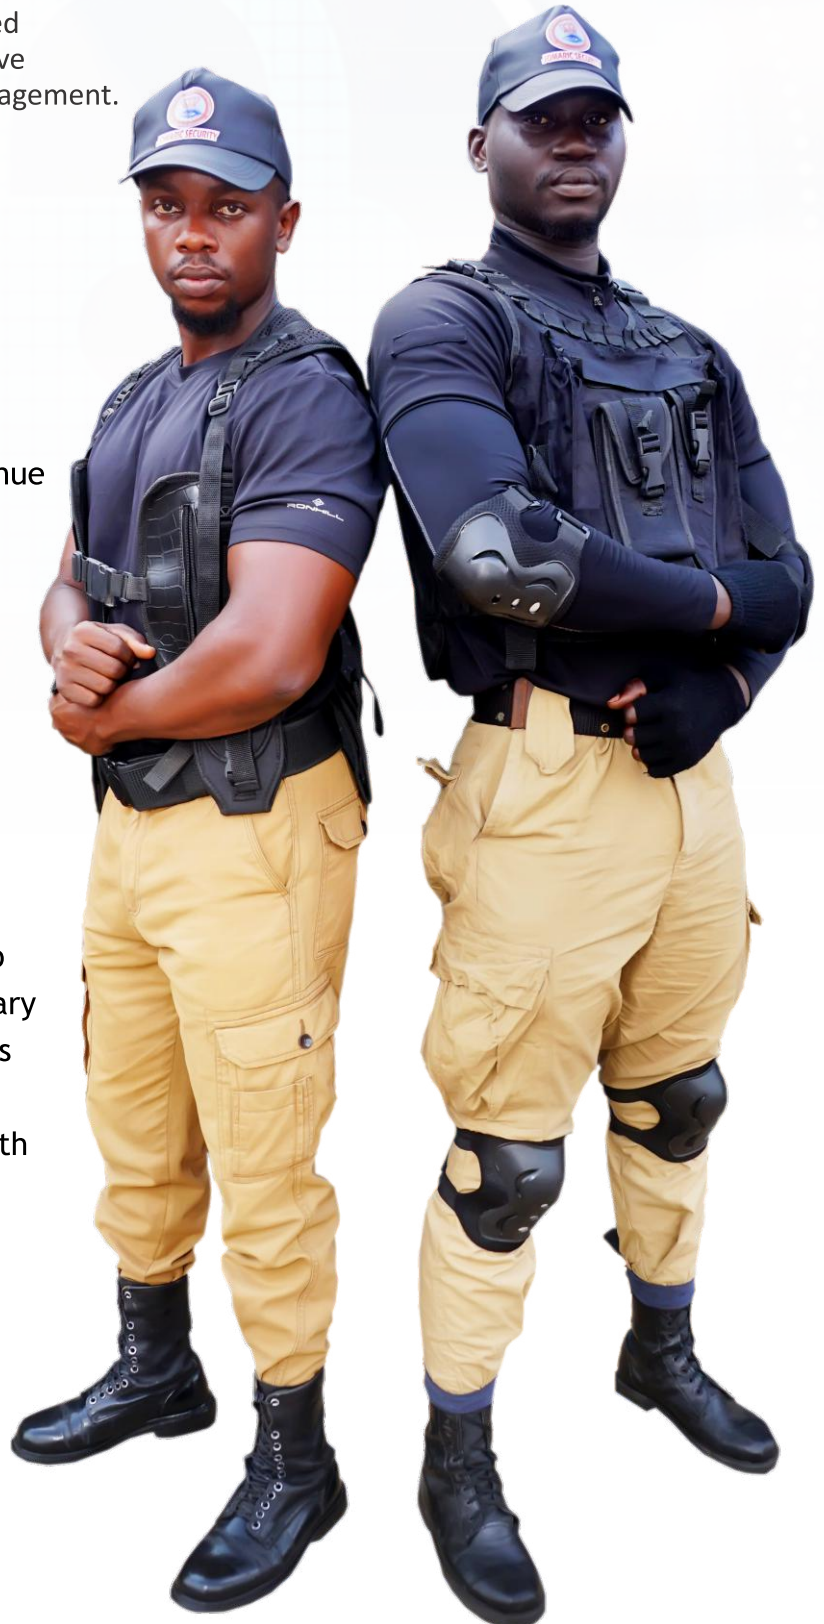

### SERVICE SUMMARY

- Access control
- Traffic control
- Surveillance Activities
- Body guard services at event venue

### ABOUT THE SERVICE

The guards we engage for events venue are specially selected and trained in various aspect of security, which includes surveillance, traffic management, VIP protection and Guard control techniques.

We also deploy our trained officers to the event grounds to conduct necessary surveillance and make prompt reports on any observable events or actions that may be detrimental to the smooth conduct of the event.

# SECURITY ELECTRONICS AND EQUIPMENT SERVICES

## ABOUT THE SERVICE

With the desire to provide excellent and standard services, our team of experts take a general survey of the environment or building in prospect before going in for installation.

We are capable of integrating the alarm and CCTV systems to your mobile devices or control stations. We also service and maintain your existing alarm and CCTV systems.

We provide technical advice on complex issues of Alarm and CCTV installation and how to resolve them suitably.

## SECURITY TRAINING AND CONSULTANCY SERVICES

We offer well packaged and comprehensive security training to employees of corporate organizations and interested individuals. Our facilitators are highly competent individuals who have been in the industry for over a decade.

We also offer consultancy services to organizations through the conduct of security surveys with a view to establish the security profile of the organizations, knowing the area of vulnerabilities, Guards Manning requirements and advising on the necessary corrective measures.

In addition we conduct seminars for both security and non-security staff of organizations, keeping them abreast of contemporary issues and trends in criminal activities and other social vices.
